#### News from the Principal's desk

Dear Parent,

Many wonder about the meaning and origins of Advent. Advent has existed in the Christian Church in some form since the first three centuries after the birth of Christ. The term Advent comes from Latin meaning "towards" or "coming". As Christians, Advent is the time leading up to Christmas where we prepare to celebrate Christ's coming, both as a child long ago, and also as a Savior who promises to come again to take us to heaven. Because of this theme, Advent is often considered the season of "Hope". Advent is celebrated for four weeks (composed of four Sundays). Historically, this was a time of fasting and solemn preparation. In some traditions, the color of advent is purple or violet representing a humbling and penitential observance, much like Lent. Blue is also used by some as the color for advent, representing "hope".

As we are in the Advent season and prepare for the birth of Christ, we look forward to many activities on campus. We look forward to sharing our Christmas Program with you on Sunday, December 14, 2025. Kindergarten - 3rd Grade will have their program in our Sanctuary at 1:00 p.m. Grades 4-5 will have their program at 2:00 p.m. Choraliers and Handbells will be performing at both services.

I am so excited that APT will be hosting a Book Fair on campus next Tuesday - Friday after school in the Library. Please see the flyer for more information. Thank you, Tracy Griffin, for organizing this and taking such good care of our Library.

Please note: All Lost and Found remaining on campus on Friday, December 19 will be donated to charity. All remaining SJL uniform clothing will be washed and held for the next used uniform sale.

Blessings to you and your family!

## Memory Verse for December 9-13

### Isaiah 9:6

*For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.*

The memory verse for next week is a Christmas verse. But it was written about 700 years before the birth of Jesus. This is a prophecy from the prophet Isaiah about a son to be born in the future. But He would be no ordinary child. He would be called names that are title spoken only of God.

This presents a mystery: How can a son to be born also be the “Mighty God”? This is the miracle of Christmas, that God has become a human being in Jesus Christ. The son to be born is fully a human being, but at the same time in a mystery that defies understanding or explanation, He is also fully God of the universe.

He did this not just for the experience, or to show that He can, but rather because we need a Savior who was one of us, yet capable of saving us for all eternity. This is what we have in the son celebrated in this verse.

### Questions for Discussion

God humbled Himself to be born as a baby.

- What does it mean to be humble?
- Why is it good to be humble?
- How can my humility help others?
