News from the Principal's desk

Dear Parent,

We are currently experiencing an increase in issues involving smartwatches on campus. As stated in our Parent Handbook, smartwatches are not permitted to be used during school hours. They should either be powered off or placed in school mode during the school day.

Unfortunately, we have observed that this expectation is not always being followed. Some students have been using their watches to send text messages during class, which disrupts learning time, and in some cases using the camera to take photos of classmates without permission.

Because of these concerns, if a student is seen wearing or using a smartwatch during the school day, the watch will be confiscated and held in the office for a parent to pick up at the end of the day. The student will also receive a detention.

Thank you for helping reinforce this policy with your child.

Blessings on your weekend!

Memory Verse for March 9-13

Romans 5:8

But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

The memory verse for next week is about God's love for all people. It tells us that God didn't wait for us to be perfect or good before showing His love. Instead, He loved us even when we were doing wrong things—when we were sinners.

Jesus' death on the cross was the greatest proof of that love. He didn't die for people who deserved it; He died for everyone, even those who had turned away from God. This shows that God's love is unconditional, meaning He loves us no matter what.

Romans 5:8 reminds us that we don't have to earn God's love. He already loves us completely, and Jesus' sacrifice is proof of that love.

Discussion Questions

- How does knowing that God loves us even when we make mistakes change the way we think about ourselves and others?
- Why do you think God chose to show His love by having Jesus die for us instead of waiting for us to become better people first?
