#### News from the Principal's desk

Dear Parents,

We are at the end of the first full week of school! I hope and pray that your child is having a good start to the school year. If you have any concerns, please let us know! Our teachers are working hard to check in with our students to make sure they are doing well! We had our first Eagle Gathering of the year on Monday. What a wonderful blessing to have everyone gathered in Faith Chapel to start off our week! We will be celebrating SNAPshots of the week, Birthdays, and Baptismal Birthdays during this time together, as well as get updates from Mr. Uffmann on sports and Mr. Kevin about youth group events.

Thank you to all who came to our Back-to-School night on Tuesday. It was a wonderful night full of fellowship and learning about the upcoming year.

Thank you to Christy Trumble and all of the Lunch Recess volunteers! Your presence on campus is so important and we thank you for making the time to be here.

Many blessings to you and your family as we begin this school year. I pray you have a weekend full of relaxation as we enjoy the long three-day weekend.

In Christ,  
Christy Wood, Ed. D.

# **PARKING LOT PROCEDURE**

## **North Parking Lot:**

Students attending preschool are to use the north parking lot. This is to be used for drop off and pick up. No classes other than preschool are to use the north parking lot.

## **South Parking Lot:**

Students K-8 are to utilize this lot for morning drop off and afternoon pick up. If you are going to simply drop off your child, use the northernmost driveway, drive your car all the way up by the bell tower, let your child (ren) out, and continue driving slowly out through the center section. Do not cut through the interior of the parking lot areas as people may be using the crosswalks. When picking up your child(ren) after school please use the following guidelines. If you are coming from the north, use the northern entrance to the parking lot to pick up your child. If you are coming from the south, use the southern entrance to pick up your child. Go to where the children are standing and the teachers on duty will direct your child(ren) to your car. After your child is securely seat belted proceed slowly down the center row and exit turning RIGHT ONLY onto Linda Vista Avenue.

## **Walking Children to Class**

If you are going to walk your child(ren) to and/or from their classroom, please enter through either the northern most or southern most driveway, park within the two interior sections of the parking lot and have your child(ren) walk with you in the crosswalk! Please do not run and do not allow your children to walk outside the crosswalks. Please follow all directions, and abide by requests of the teachers on duty. They have a heavy responsibility to ensure safety for all students.

***DO NOT park your car on Linda Vista Avenue between the church and school entrances!  
This blocks the view of those trying to exit out onto the street.***

***NEVER leave any small child unattended in your car while you are away. This is looked at as child endangerment and the school is required to notify the proper authorities.***

***Please do not leave your car unattended while it is running.***

***Please do not use cell phones while in line to pick up your child as this can be a dangerous distraction and is now against the law.***

***All students not picked up by 3:15 p.m. will be checked into PALS and charged appropriately.***

## How Gift Card Fundraising Works

Gift card fundraising, also known as scrip fundraising, has been the #1 fundraiser for nonprofit organizations across the U.S. for more than 25 years.

Why? Because it's easy and more convenient than selling goods or recruiting volunteers. Earn simply by buying gift cards to use for everyday purchases, instead of cash or credit cards.
